

Calamos Growth and Income Fund

OVERVIEW

The UCITS fund invests primarily in US equities, convertibles, fixed-income securities and options, endeavoring to balance risk/reward while providing growth and income.

The fund is actively managed and is suitable for long-term investors.

The fund uses the S&P 500 Index and ICE BofA All US Convert Ex Mand Index as comparative benchmarks but not to constrain the fund's portfolio or as a target for performance.

KEY FEATURES

- » Leverages more than four decades of experience combining equities convertibles, fixed income securities and options to provide equity-like participation while maintaining a lower risk posture throughout the market cycle.
- » Research-driven approach identifies opportunities by combining top-down analysis with a research focus on key growth characteristics.

PORTFOLIO FIT

The fund can provide a long-term core equity allocation, which exhibits potentially lower volatility and delivers attractive income.
